

MFG Seafarers Fund

Sir/ Maám,

In the name of all the seafarers in Region 8 (Samar & Leyte) who where victims of Super Typhoon Haiyan/Yolanda, our heartfelt thanks for the moral and financial support that we receives from your group.

In the midst or our grief, physical and mental anguish we suffered, wherein our houses were severely devastated but most were totally blow down, lives were endangered and others did not survive, yet your group did not forsake us rather backed us up to lighten our heavy burdens that we are carrying. The financial support that we received could be a huge help for our family to construct a temporary shelter to endure the cold of the night, the heavy rains and the heat of the sun. The moral support that you bestowed energizes us to move on and to keep going on to survive this horrible and unimaginable tragedy.

Our tears flowed out again not because of fears and terrors we had experienced from the typhoon, but tears of joy for we really felt you compassion to us, we vividly saw a group with golden hearts ever ready to help to persons in need. May our Almighty God bless you more graces and blessings for you charity and good deeds.

Once again, in behalf of my recipient co-seafarers who were victims of horrific typhoon Haiyan, from the innermost of our hearts, thank you very much of your all out support.

"Let the word of Christ dwell in you richly in all wisdom, teaching and admonishing one another in psalm and hymns and spiritual songs singing with grace in your hearts to the Lord: (Colossians 3:16).
